

# **NAO Estonia is planning audits with a sustainability lens**

Airi Andresson, Audit Manager  
National Audit Office of Estonia

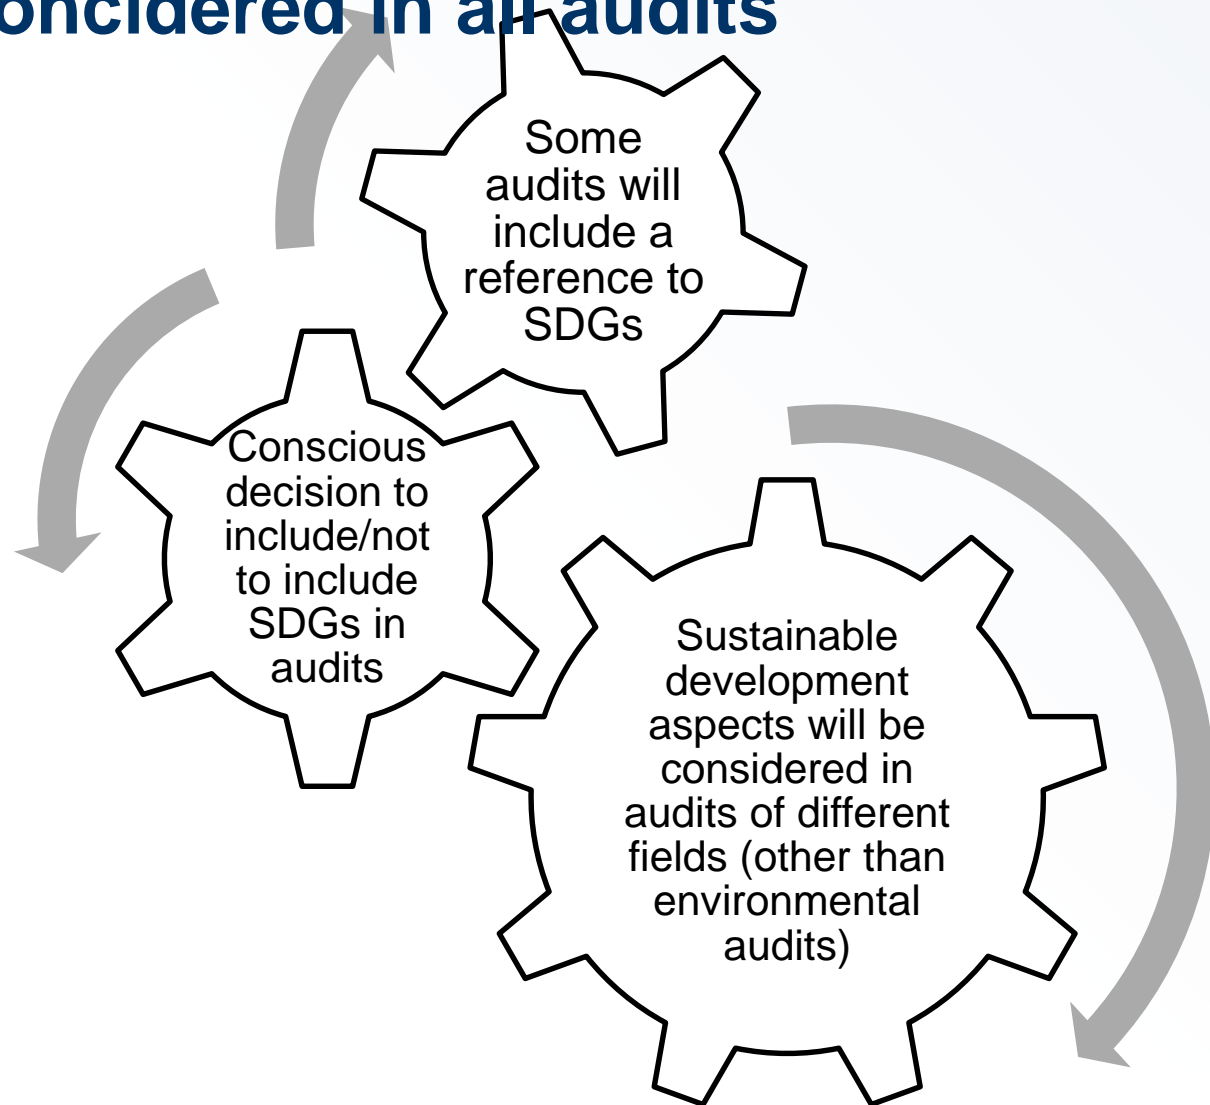

# **SDG auditing is a strategically important objective for NAO of Estonia**

## NAO of Estonia's Strategy 2020-2024

Objective 2: The National Audit Office addresses all the areas of the state and local life within its competence in its audits. To this effect, the National Audit Office

- assesses the effectiveness of governance and compliance with the principles of sustainable development in its audits.

## SDGs are considered in all audits
